

## **Call for Applications: 16-Week In-House CAD/CAM & Construction Skill Development Program**

ACIC IIT (ISM) Foundation invites applications from enthusiastic and motivated youth for a **16-week In-House CAD/CAM and Construction Skill Development Program**, designed to equip participants with industry-relevant technical and practical skills in the fields of design and construction.

### **About the Program**

This comprehensive training program integrates **Computer-Aided Design (CAD)**, **Computer-Aided Manufacturing (CAM)**, and essential **construction skills**, enabling participants to gain both digital and on-site practical expertise. The course is structured to enhance employability and create pathways for sustainable livelihoods in construction and allied sectors.

### **Key Highlights**

- Hands-on training in CAD/CAM tools and construction techniques
- Exposure to real-world projects and practical applications
- Training by experienced faculty and industry professionals
- Focus on both technical and field-based skills
- Certification upon successful completion
- Guidance for employment/self-employment opportunities

### **Course Duration**

- **16 Weeks (4 Months)**
- Mode: **Offline (In-house training at ACIC IIT (ISM) Foundation)**
- Hostel facilities will be provided

### **Eligibility Criteria**

- Minimum qualification: **12th pass / ITI / Diploma / Graduate**
- Interest in construction, design, or technical fields

### **How to Apply**

Interested candidates may apply by filling out the application form:

<https://forms.gle/MmPndp97MN3R7gtj7>

### **Last Date for Application**

10.04.2026

### **Training Location**

ACIC IIT (ISM) Foundation, IIT (ISM) Campus, Dhanbad

### **Contact Information**
